Dwarven Dig! Is the fast-paced, hard hitting, cave-smashing game of dwarves on the hunt for treasure . With the wise, grit generating elder, the savvy engineer, the hell-raising miner and the stout warrior, can you lead your team safely through the perils of the mountain to retrieve the treasure before your opponents do the same? Play defensively or go on the attack to directly thwart the other teams, and never play the same game twice due to the game board's tile construction system. Face the mountain if you dare!

Stand alone variant of Mr. Jack. As in Mr. Jack, one player takes the role of Mr. Jack, the other takes a role of a Detective. But there are new possibilities - gaslights and manholes are represented by pawns which can be moved. The game takes place in Manhattan, and surrounding water is very important for escape of Mr. Jack. Characters will have new powers and there will be also a police spy, who will be able to get valuable information. This version of the game is more strategic and complex so it is suitable for more advanced players.
